# State/Territory notification: Business Skills class

Form  
**927**

Important – Please read this information carefully before you complete your application. Once you have completed your application we strongly advise that you keep a copy for your records.

Before you lodge your application for a visa under the following Business Skills subclasses:

- **Business Skills (Residence)** — Business Owner (subclass 890), and Investor (891);

you may consider notifying the business development agency in the state or territory in which you intend to go into business. You can notify more than one agency if you wish. Notification means:

- the agency has basic knowledge about you and your area of business interest in Australia; and
- the agency can help you with information about business and lifestyle in that state or territory.

If you choose to notify the relevant state or territory business development agency, you will need to complete and send this form to the agency in the state or territory in which you have a business. The addresses of these agencies are available under the visa options for business people at [www.border.gov.au/trav/work/work](http://www.border.gov.au/trav/work/work)

## Your details
