Subject: Opposed to the Assistance and Access Bill 2018
Date: Monday, 10 September 2018 10:50:14 PM

Greetings,

I'm highly opposed to this new bill. Trying to enforce this will take away our rights of privacy and anonymity on the internet. How is this any different than wiretapping our phones and reading our mail when cause is needed? Who determines the cause? Who can keep this information safe?

Using scare tactics to encourage this behaviour is unacceptable. Australia is better than this.

I hope this fails miserably.
