Dear Madam/Sir,

As an Australian citizen under the Australian Commonwealth Constitution it is my will that you inform the Australian Government that it is NOT acceptable and I do NOT consent to them spying on me.

The Australian Government intend on making our telco carriers create back doors to our messaging applications in order to be able to access my private and sensitive information. They do not have my permission and I do not appreciate being treated like a criminal in this country.

Please acknowledge that you received my email and that this will be sent to the relevant persons.

Sincerely

Lindy Pienaar
