

Proposed amendments to the Ministerial Directions Powers SAP Australia Response

Version: [<1.0>]

Date: 1 May 2026

This document is SAP Australia's response as the Responsible Entity for a Critical Infrastructure Asset to the Proposed amendments to the Ministerial Directions Powers.

Background

SAP is the responsible entity for a critical data storage or processing (DSoP) asset.

Response

SAP is supportive of the submission made by the Business Software Alliance, of which SAP is a member company.
