# IMMIGRATION AND BORDER PROTECTION PORTFOLIO OVERVIEW

## Ministers and portfolio responsibilities

The portfolio has two Ministers, the Hon Peter Dutton MP, the Minister for Immigration and Border Protection and the Hon Alex Hawke MP, Assistant Minister for Immigration and Border Protection.

The Department of Immigration and Border Protection (DIBP) is a non-corporate Commonwealth entity under the *Public Governance, Performance and Accountability ACT 2013 (PGPA Act)*.

### **Department of Immigration and Border Protection**

DIBP provides policy, regulatory and corporate services as well as delivers intelligence and capability for the organisation. It has immigration responsibilities to manage the entry and stay of temporary and permanent migrants, to promote and confer citizenship and to meet Australia's humanitarian and refugee obligations. It also contributes to strong national security and the economy through effective border security control and the facilitation of seamless legitimate movement of people and goods across Australia's borders.

### **Australian Border Force**

The Australian Border Force (ABF) is the operational arm of DIBP and has statutory responsibilities to enforce the customs and migration laws and the protection of Australia's border.

As the operational enforcement arm within DIBP, the ABF is focused on the operational border, investigations, compliance, detention and enforcement functions offshore and onshore, across Australia's air and seaports, and land and maritime domains. It is also responsible for the collection of the majority of border-related revenue collected by DIBP.
