The Portfolio seeks to ensure every member of our community – wherever they live – can go about their lives knowing they are safe and able to participate equally in contributing to our society.

The Portfolio supports a prosperous, secure and united Australia through the management of a range of functions including responsibility for Australia's migration program, cyber security policy, the protection of critical infrastructure, countering terrorism and countering foreign interference. In addition, the Portfolio is responsible for emergency management disaster preparedness and response and recovery, strengthening multiculturalism and democratic resilience, and facilitating legitimate trade and travel while maintaining the integrity of the Australian border.

The Portfolio remains central to Australia's economic prosperity, security and unity. The Portfolio will continue to support Australia's regions and drive economic growth by facilitating the flow of travellers through the international border and promoting Australia as a competitive destination for migrants, tourists and students. Working with domestic and international partners, the Portfolio protects Australia from diverse and evolving risks from within and outside our border. The Portfolio has a broad policy, regulatory and operational remit to enable coordinated national efforts to mitigate risks to the community, democratic institutions, businesses and critical infrastructure.
