Its social connection and wellbeing program builds resilience in individuals, family and workunits. It also facilitates early detection and intervention for mental ill health. Fortem's specialist psychology service provides culturally appropriate, confidential and accessible care that sits outside the workers compensation system. The transition and employment program extends care through to post-service life. Other key functions of Fortem services are to increase mental health literacy and decrease stigma. This project will expand service provision to 12 locations across the country.	AUD	\$11,000,000.00	07/10/2022	07/09/2024	N	N	N/A
