About this report

This report provides an overview of the number of people in onshore immigration detention as at midnight on the date of the report. The report is produced on a monthly basis.

As data is sourced from several departmental processing and recording systems, data relating to the immigration detention population is dynamic and variations between monthly reports can occur. Due to these issues, data from the current financial year should always be considered provisional.

Further information about immigration detention is available at:

Acronyms

Table 1 – Acronyms used in this document

Acronym	Description
APOD	Alternative Place of Detention
UMA	Unauthorised Maritime Arrival
IDC/F	Immigration Detention Centre/Facility
IRH	Immigration Residential Housing
ITA	Immigration Transit Accommodation
S501	Section 501 of the <i>Migration Act 1958</i> (the Migration Act)
S501 Visa Cancellation	Visa cancellations based on character or related grounds

Important Notice on APODs

From July 2020, detainees residing in APODs are reported under 'APODs' rather than under the ITA or IDC that had responsibility for their management and care. APODs include hospitals, aged-care facilities, mental health inpatient facilities, as well as hotel and apartment style accommodation. The number of individuals in APODs is provided by the State and Territory of the APODs.

Important Notice on UMAs

The term Unauthorised Maritime Arrival (UMA) has a specific meaning, which is defined in the Migration Act. The term Illegal Maritime Arrival (IMA) was previously used by the Department in place of UMA, however from April 2022 the term UMA is used for this cohort.

Immigration Detention and Community Statistics Summary

At 30 June 2022, there were 1398 people in immigration detention facilities.

Of the 1398 people in immigration detention facilities, 1268 (90.7 per cent) have a criminal history.

A further 566 people were living in the community after being approved for residence determination and 10,868 UMAs were living in the community after grant of a Bridging Visa E.

The table below reflects figures based on records in Department of Home Affairs systems.

Children In Immigration Detention

At 30 June 2022 there were no children (aged less than 18 years) in Immigration Residential Housing, Immigration Transit Accommodation and Alternative Places of Detention.

Figure 3 – Children in Immigration Residential Housing, Immigration Transit Accommodation and Alternative Places of Detention

Figure 3 above, shows the number of children in IDFs and APODs from January 2013 to the date of this report. The continuous increase in the number of children in IDFs from April 2013 to Aug 2013 was due to a rapid increase in UMAs during this period. The number of children in IDFs continued to decline during the late 2013 and 2014, with further reduction in January 2015.

At 30 June 2022, the number of children living in the community after being approved for a residence determination has decreased by two to 170 from 172 since the previous report.

Figure 4 – Children in the Community under Residence Determination

Figure 4 above, shows the number of children in the community under residence determination from January 2013 to the date of this report. The number of children in the community under residence determination, has levelled off at its lowest number since the peak in November 2013, as a result of releases into the community on Bridging E visas.
